Subject: Applications for Undergraduate Admissions (4-Year Bachelor's Degree Programs) for the Academic Year 2027 International Programs, Direct Admission, Round 1

Thai-Nichi Institute of Technology is accepting applications from students currently in their final year of high school (Grade 12 / Matthayom 6) or equivalent from both public and private schools for selection into the 4-year undergraduate international programs for the Academic Year 2027 (Direct Admission, Round 1). The details are as follows:

1. Faculties and Programs Open for Admission

Programs	Qualifications
1. Digital Engineering Program (DGE) Faculty of Engineering	Round 1 Admission ○ The applicant must have graduated or is studying an M.6 in a Thai system school or graduated from an English Program (EP), Intensive English Program (IEP), Bilingual program, International school, or an overseas institution. ○ The applicant who submits a GED must pass 4 subjects with a minimum total score of 600 and also provide an official high school transcript of M.4 (Grade 10) or its equivalent with at least 2 terms. ○ The applicant who applies with GCE 'A' Level must have at least 3 subjects with a minimum grade of C or above. In addition, the applicant must also submit an official high school transcript for Grade 10 (M.4) or its equivalent, covering at least two terms. Note: O Level, IGCSE, and GCSE are no longer accepted for admission, in compliance with the regulations of the Ministry of Education of Thailand.
2. Data Science and Artificial Intelligence (DSA) Faculty of Information Technology	
3. International Business and Entrepreneurship in the Digital Technology Age (IND) Faculty of Business Administration	

2. General Qualifications for All Applicants

- 2.1 Must hold a Thai National ID card or be a person legally residing in Thailand.
- 2.2 Must be in good physical and mental health. Must not suffer from any conditions or disorders that the Admissions Committee deems a barrier to education or future professional practice, and must not have any of the following conditions:
- 2.3 Leprosy, Tuberculosis, Lung disease, Chronic alcoholism, Heart disease, or Drug addiction.

3. Specific Application Criteria

Applicants for the International Programs (Direct Admission, Round 1) must meet the following criteria. The Thai-Nichi Institute of Technology's undergraduate admission for the academic year 2027 includes a competitive examination for scholarships under the following eligibility conditions:

- 3.1 Currently studying in Matthayom 6, Grade 12, Year 13, or equivalent (Voc. Cert., High Voc. Cert., NFE), or holding a nationally certified GED.
- 3.2 GPAX: No minimum GPA requirement for regular admission. However, to qualify for a scholarship, applicants must have a cumulative GPAX (4 semesters) of **2.50 or higher**.
- 3.3 Applicants must undergo an interview, which can be done either Online or Walk-in at the Institute (Monday–Friday during business hours).

4. Scholarships (Thai-Nichi Institute of Technology Fund)

4.1 TNI Institute Scholarships (For the 1st Academic Year)

- o **TNI Scholarship:** 25% tuition fee waiver (for the 1st and 2nd semesters of the 1st Academic Year).
- o This scholarship is awarded based solely on the interview performance. It is a non-binding grant; recipients are not required to repay the institute upon graduation.

4.2 Conditions for Scholarship Recipients

Recipients must comply with the conditions specified by the institute throughout the scholarship period as follows:

- 1) Scholarship students cannot transfer to another major. If a major transfer occurs, this agreement will be terminated immediately.

- 2) The institute will absolutely not grant the scholarship in cash or check. All educational expenses specified in the curriculum will be directly deducted from the student's scholarship allocation based on actual expenses incurred.
- 3) Recipients will lose their scholarship status without being required to repay the funds in the following cases:
 - o (1) Death.
 - o (2) The institute deems that the student is unable to continue their studies, or becomes incompetent, mentally infirm, seriously ill, or disabled as certified by a physician.
- 4) Recipients will lose their scholarship status and **must repay all received funds** to the institute if they meet any of the following conditions specified in the agreement:
 - o (1) Behaves in a manner inappropriate for a TNI scholarship student, resulting in the institute terminating their status.
 - o (2) Resigns from the institute or enrolls in another educational institution.
